STATUS INQUIRY

1. More than twelve (12) months have passed since the filing of this application on August 22, 2003. No communication has been received from the Patent and Trademark Office indicating action on this application.
2. Applicant's counsel has twice sought to access information for this application on the PAIR system; however, these attempts have proved fruitless since the system does not recognize the undersigned attorney's customer number. The undersigned attorney's customer number, 27015, accompanied the filing papers in this case. In response to the Patent Office's suggestion that the customer number be resubmitted under Change of Correspondence Address format, Applicant's counsel filed such Change of Correspondence Address [PTO/SB/122] on July 21, 2004, as shown on the attached Exhibit A, three (3) pages. To date, this error has not been corrected by the Patent Office. Applicant respectfully requests that this application be assigned to his counsel's customer number, 27015, so that this application can be accessed through the PAIR system.
3. Kindly advise the undersigned of the present status of this application, by checking the appropriate box on the next page and returning the completed status to the undersigned by facsimile transmission to 925.937.1529.
